

# EXMOOR RURAL HOUSING NETWORK\*

Are you struggling to find suitable housing that you can afford and that meets your needs on Exmoor?

Would you like some support in finding a solution to your housing problems?

Would you like to talk to someone who will try to help and who will ensure confidentiality is respected at all times?

## Your Local Housing Contact

Your local housing contact for East Anstey is Carol Drummond. Carol works at a school in Dulverton and loves living on Exmoor. She is happy for you to contact her for an initial chat and her email address is [caroldrummond11@gmail.com](mailto:caroldrummond11@gmail.com)

## More Information

A Local Housing Contact is not a housing expert and will not be able to solve your housing problem. They will make themselves available to listen to people with a housing problem and help them to think through their options. They will put people with a housing problem in touch with people or agencies who might be able to help. While the aim will be to match people with a housing need with housing solutions, it is unlikely to be possible to meet every aspect of an individual's housing aspirations.
