Project Name.	Extension to the Hall
Project Description.	Building of another room to compliment activities in Hall,such as meetings,social events including bar/cafe area.
What consultation was carried out before the start of the project	Extensive enquiries/ surveys throughout the Anstey's & surrounding areas. Full planning permission is obtained.
Project costings	Quotes obtained. £110,888 including VAT (this was the cheapest quote) Next quote was £125,000
Amount of Grant requested from East Anstey Parish Council	£15,000
Details of other grants secured or applied for	Batsworthy: £70,000 Bernard Sunley: £10,000 Viscount Amory's Charitable Trust: £1,000 Sport England: £15,000 which needs match funding from East & West Anstey.
Would the funding from East Anstey Parish Council enable the project to be completed? If not, how much more funding will be required and where will this come from. What will be the time scale.	Yes. This will depend on utilising the Public Works Board Loan. West Anstey have already agreed to go down this method of funding. Whatever East Anstey are prepared to pay per household,West Anstey will do likewise.
If this project increases annual running costs how will these be covered.	It will not increase annual running costs as these will be covered by increased hirings. There will also be much improved insulation.

How will the project benefit the community of East Anstey?	As there are no community areas in East Anstey,the Hall is used for many functions by the residents in East Anstey already,so this project will further amenities available.
If the project is outside of the parish of East Anstey how many residents will regularly benefit?	Anstey Community Hall is the only Hall that covers all the residents in East & West Anstey.There are currently 236 residents in East Anstey.

A copy of the last prepared set of accounts is requested and must be attached.
A copy of the organisation's budget for the current year should also be included.

No funding will be provided until an invoice for the work is provided

Should East Anstey Parish Council agree support for this project by approving the application it does not commit the Council to providing any further funding.

Every grant application needs to evidence that it is a prudent use of the Council's funds for the benefit of the residents of East Anstey.
